PALOMINO MARE
GRADE PONY

Bling is a cute palomino pony mare that anyone can ride. She has been used for our Drill Team that we did last year for the Strasburg Rodeo and the Carson Rodeo. See the video on our page about us. She is broke about as good as a big horse. She is very gentle and easy to get along with. Easy to catch, no buck, rear, or kick. She side-passes, spins, neck reins, and she will do the indirect rein. Very neat little pony. She is easy to bridle and halter. For more info, please call 870-421-6846 or 701-321-1535. For a video and pictures please visit our website www.4sistershorsemanship.com. She has been through our program which consists of the Clinton Anderson method of training.

Baron has always liked people since the day he was born. His dam was a big soggy mare that was a combination of foundation & cutting horses. His sire consistently produces good natured, intelligent, athletic and heavy boned ranch horses. Baron hasn't been handled much. Halter trained as a yearling and just has been developing and running in rough terrain. This horse will be one of your favorite and best horses.

Zenith is a very correct intelligent filly that has the potential to go almost any direction. She would also make a great broodmare and she will go into our broodmare band if she isn't sold today. She has the speed for events, the bone to hold up, the mind and athleticism to be excellent at anything you teach her to do. She is absolutely beautiful. Her sire is black and her dam is grullo. Like I said, she has all kinds of potential.
