HORSE SALE

Sunday, September 20, 2009

Bowman Auction Market, Bowman, ND

Sale entry deadline August 1, 2009

Fellow Horsemen & Horsewomen:

It seems the dust has just settled from the spring sale and it's time to plan for the fall. To those of you who took part in the spring sale - thank you for making it a big success! Below are the averages from our May 2009 sale. I hope you find our sale results to be helpful in making your marketing decision. Upon reviewing the results you will find that, even in these trying times in the horse business, the market for well-broke, using type horses still holds strong. Those of us with unbroken, brood, or young stock need to keep our chins up, as we believe the market for these types of horses is going to get better.

Please look over our Terms & Conditions of Entry carefully it will answer a lot of questions you may have before and after the sale. If you need more forms, simply copy the enclosed form or call/e-mail Joe at (701)398-3099 (hickel@gondtc.com) or John at (701)720-6674 (bearman@srt.com). A copy may also be printed off our website www.doublejhorsesales.com.

We'll see you at the sale.

Sincerely,

Joe Hickel John Bearman
